PROFILE

Computer science engineering student, programmer for approximately 5 years. I worked on web projects as a freelancer and some personal projects.

I am looking for an opportunity in the market that is challenging and where I can also apply new acquired knowledge.

EDUCATION

○ **ISUTC, Maputo**

Ongoing

Computer science engineering.

○ **Colégio Aboobacar Sidik(RTA), Matola**

Feb 2012 – Jan 2021

General education

EXPERIENCE

○ **Freelance, Maputo**

2020 - present

Web development

Over the past few years, I have had the privilege of collaborating with a variety of clients and challenging projects. From creating elegant and functional websites to developing robust and responsive online stores.

○ **Hidropool LDA, Maputo**

2022 - present

Associate

The company's purpose is the construction, restoration and maintenance of swimming pools, as well as trade retailer of construction materials, equipment, accessories and unspecified products
